MOSAIC URBAN PARTNERS AWARDED GSA MOBIS CONTRACT FOR SINs 874-1 AND 874-6

Firm becomes better positioned to serve public-sector clients with MOBIS contract award

Washington, DC – Mosaic Urban Partners is pleased to announce the award of a General Services Administration (GSA) Federal Supply Schedule (FSS) Mission Oriented Business Integrated Services (MOBIS) contract. The firm is approved to provide Consulting Services (SIN 874-1) and Acquisition Management Support (SIN 874-6). Mosaic's contract GS-10F-0224X is valid through May, 2016.

Approval as a pre-qualified MOBIS contractor reflects validation of Mosaic's professional capabilities, performance history, customer satisfaction, service, expertise and management. Mosaic has long-served government clients by providing procurement, public-private partnership, economic development, strategy, and management consulting services. Mosaic's product offerings include market analysis, economic and fiscal impact analysis, procurement tools and project feasibility studies.

Mosaic's MOBIS award qualifies the firm to perform services directly for federal government agencies, corporations and the District of Columbia. The MOBIS contract streamlines client access to Mosaic's consulting and acquisition management support tools and services and offers pre-negotiated pricing for federal buyers. Contracts executed with Mosaic under the MOBIS award count toward meeting agency small and disadvantaged business contracting goals.
